# Friends Of WILDERNESS ROAD STATE PARK

The Friends of Wilderness Road State Park is a non-profit organization of private citizens, businesses, civic groups and students dedicated to the continuing growth and development of Wilderness Road State Park. We provide assistance to the park and its staff by sponsoring special events, raising funds and supplying materials and labor for special park projects. The Friends also aid in the preservation of the Karlan Mansion. We seek funding from state and local government, and we accept contributions from foundations, businesses and individuals. Please join us in making Wilderness Road State Park a living part of our community as well as a national attraction.
